E. NONASSIGNABILITY

Contractor shall not assign any interest in the contract by assignment, transfer or novation, without the prior written consent of YS. This provision shall not be construed to prohibit the Contractor from assigning his bank, trust company, or other financial institution any money due or to become due from approved contracts without such prior written consent. Notice of any such assignment or transfer shall be furnished promptly to YS.

F. RIGHT TO INSPECT/AUDIT

Contractor agrees that the Legislative Auditor of the State of Louisiana and/or the office of the Governor, Division of Administration auditors, the Inspector General's Office, and /or Youth Services shall have the right to inspect, review, and/or audit all accounts, books, and records which relate to this contract. Contractor is expected to comply with federal and/or state laws requiring an audit of Contractor's operation as a whole or of specific program activities. This option to audit shall remain in effect for five (5) years from the date of the last payment made under this contract. Records shall be made available during normal working hours for this purpose.

If an audit is performed within the contract period for any reason, a copy of the audit report shall be sent to YS within thirty (30) days of the completion of the audit.

Upon the request of YS and at the Contractor's cost, the Contractor shall have ten (10) business days to provide YS with any such information that YS requests for the purpose of determining the validity of the per diem amount or unit cost, either retrospectively or prospectively. YS reserves the right to audit and review any and all of the Contractor's records related to this contract or the performance of the services contracted for herein.

G. RECORD RETENTION

Contractor agrees to retain all books, records, and other documents relevant to this contract and the funds expended hereunder for at least five years after completion or termination of this contract.

H. NOTIFICATION OF STATE EMPLOYMENT

Should contractor or any of its employees become a classified or unclassified employee of the State of Louisiana during the effective period of this contract, Contractor or its employees must notify the appointing authority of the state agency that has employed him of any existing contract with the State of Louisiana. YS reserves the right to cancel the contract if a conflict of interest or a violation of state law occurs as a result of such employment.

I. PROHIBITION OF POLITICAL USE OF FUNDS

No funds provided herein shall be used to urge any elector to vote for or against any candidate or proposition on an election ballot nor shall such funds be used to lobby for or against any proposition or matter having the effect of law being considered by the legislature or any local governing authority of any political subdivision. This provision shall not prevent the normal dissemination of factual information relative to a proposition on any election ballot or a proposition or matter having the effect of law under consideration by the legislature or any local governing authority of any political subdivision.

J. SUBCONTRACTS

Contractor shall not enter into any subcontract for work or services contemplated under this contract without obtaining prior written approval of YS. Any subcontracts approved by YS shall be subject to all the conditions of this contract. No provisions of this clause and no such approval by YS of any subcontract shall be deemed in any event or manner to create on the part of YS any obligation of YS beyond those specifically set forth herein. No subcontract shall relieve the Contractor of the responsibility for the performance of any subcontractor. The contractor will be the single point of contact for all subcontractor work.

K. SANCTIONS

YS may impose sanctions if the contractor fails to adhere to the provisions of the contract or Standard Operating Procedure for Contract Providers available on request and online at www.ojj.la.gov either intentionally or through gross negligence. Monetary sanctions shall not exceed three percent of the gross monthly billing. One sanction may be levied for each individual violation. These sanctions shall be issued by the Agency Deputy Secretary, or designee.

These graduated sanctions are intended to create a positive change of compliance and not intended to cause any negative or detrimental effect on the services available to youth.

Graduated sanctions shall include:

1. Monetary sanctions (up to a 3% reduction of monthly payment)
2. 15 % reduction in the number of program slots
3. Moratorium on referrals
4. Termination of contract

L. TERMINATION

YS may terminate this contract for cause based upon the failure of the Contractor to comply with the terms and/or conditions of the contract, provided that YS shall give the Contractor written notice specifying the Contractor's failure. If within thirty (30) days after receipt of such notice, the Contractor shall not have either corrected such failure or, in the case of failure which cannot be corrected in thirty (30) days, begun in good faith to correct said failure and thereafter proceeded diligently to complete such correction, then YS may, at its option, place the Contractor in default and the contract shall terminate on the date specified in such notice. The Contractor may exercise any rights available under Louisiana law to terminate for cause upon the failure of YS to comply with the terms and conditions of this contract, provided that the Contractor shall give YS written notice specifying YS' failure and a reasonable opportunity for YS to cure the defect.

Either party may terminate this contract for convenience at any time by giving thirty (30) days written notice to the other party. The Contractor shall be entitled to payment for deliverables in progress, to the extent that the services have been provided to the reasonable satisfaction of YS. YS has the right to cancel this contract with less than thirty (30) days' notice due to budgetary reductions or changes in funding priorities of the State as stated herein.

Upon completion or termination of this contract YS reserves the right to request copies of any records, reports or any other materials related to this contract or any portion thereof.

M. CONTRACTOR'S COOPERATION

The Contractor has the duty to fully cooperate with the State and provide any and all requested information, documentation, etc. to the state when requested. This applies even if this Contract is terminated and/or a lawsuit is filed. Specifically, the Contractor shall not limit or impede the State's right to audit or shall not withhold State owned documents.

N. CONTINUING OBLIGATION

Contractor has a continuing obligation to disclose any suspensions or debarment by any government entity, including but not limited to General Services Administration (GSA). Failure to disclosed may constitute grounds for suspension and/or termination of the Contract and debarment from future Contracts.

O. ELIGIBILITY STATUS

Contractor, and each tier of Subcontractors, shall certify that it is not on the List of Parties Excluded from Federal Procurement or Nonprocurement Programs promulgated in accordance with E.O.s 12549 and 12689, "Debarment and Suspension," as set forth at 24 CFR part 24.

P. ENTIRE AGREEMENT, ORDER OF PRECEDENCE & SEVERABILITY

If any term or condition of this Contract or the application thereof is held invalid, such invalidity shall not affect other terms, conditions, or applications which can be given effect without the invalid term, condition, or application; to this end the terms and conditions of this contract are declared severable.
