C. Survival and Validity of Bonds. The Surety's bonds shall remain in full force and effect, and shall survive the termination of this Contract, but shall become null and void if the Contractor: (1) well and faithfully performs all and singular obligations assumed by the Contractor in this Contract; (2) promptly pays all wages of laborers, workmen, or mechanics to be employed by the Contractor for all work done or labor performed by the Contractor or by any

The failure of either party to insist upon strict compliance with any provision of this Contract, to enforce any right or to seek any remedy upon the discovery of any default or breach of the other party at such time as the initial discovery of the existence of such noncompliance, right, default, or breach shall not affect or constitute a waiver of either party's right to insist upon such compliance, exercise such right, or seek such remedy with respect to that default or breach or any prior contemporaneous or subsequent default or breach.

D. Entire Agreement. This Contract, including all incorporated documents, constitutes the final and complete agreement and understanding between the Parties.
