7. **CONFLICT OF INTEREST.** In the interest of ensuring that efforts of the Contractor do not conflict with the interests of the City, and in recognition of the Contractor's responsibility to the City, the Contractor agrees to decline any offer of employment if its independent work on behalf of the City is likely to be adversely affected by the acceptance of such employment. The initial determination of such a possibility rests with the Contractor. It is incumbent upon the Contractor to notify the City and provide full disclosure of the possible effects of such employment on the Contractor's independent work in behalf of the City. 15. FORCE MAJEURE.

- A. **Event.** An event of Force Majeure will include any event or occurrence not reasonably foreseeable by the City at the execution of this Agreement, which will include, but not be limited to, abnormally severe and unusual weather conditions or other acts of God

(including tropical weather events, tornados, hurricanes, and flooding); declarations of emergency; shortages of labor or materials (not caused by City); riots; terrorism; acts of public enemy; war; sabotage; cyber-attacks, threats, or incidents; epidemics or pandemics; court or governmental order; or any other cause whatsoever beyond the reasonable control of the City, provided such event was not caused by the negligence or misconduct of the City, by the failure of the City to comply with applicable laws, or by the breach of this Agreement.

B. Notice. To seek the benefit of this Article, the City must provide notice in writing to the Contractor stating: (1) an event triggering this Article has occurred; (2) the anticipated effect of the Force Majeure event on performance; and (3) the expected duration of the delay, if the Agreement is being suspended.

C. Effect.

a. Upon the occurrence of a Force Majeure event, for which the City has provided required notice, the City may, at its sole discretion:

i. Suspend this Agreement for a duration to be set by the City, not to exceed 90 days. During such time of suspension, the Parties will not be liable or responsible for performance of their respective obligations under this Agreement, and there will be excluded from the computation of such period of time any delays directly due to the occurrence of the Force Majeure event. During any such period of suspension, the Contractor must take all commercially reasonable actions to mitigate against the effects of the Force Majeure event and to ensure the prompt resumption of performance when so instructed by the City; or

ii. Terminate this Agreement, either immediately or after one or more periods of suspension, effective on notice to the Contractor and without any further compensation due.

b. Notwithstanding Section C(1) above, the obligations relating to making payments when due (for services or materials already provided) and those obligations specified to survive in the Agreement will be unaffected by any suspension or termination.

16. INCORPORATION INTO SUBCONTRACTS. The Contractor will incorporate these Contract Terms and Conditions into all subcontracts, by reference or otherwise, and will require all subcontractors to comply with these provisions.

17. INDEMNIFICATION.

a. To the fullest extent permitted by law, the Contractor will indemnify, defend, and hold harmless the City, its agents, employees, officials, insurers, self-insurance funds, and assigns (collectively, the "Indemnified Parties") from and against any and all claims, demands, suits, and judgments of sums of money accruing against the Indemnified Parties: for loss of life or injury or damage to persons or property arising from or relating to any act or omission or the operation of the Contractor, its agents or employees while engaged in or in connection with the discharge or performance of any services under this Contract; and for any and all claims and/or liens for labor, services, or materials furnished to the Contractor in connection with the performance of work under this Contract.

- b. **Limitation**. The Contractor's indemnity does not extend to any loss arising from the gross negligence or willful misconduct of any of the Indemnified Parties, provided that neither the Contractor nor any of its agents or employees contributed to such gross negligence or willful misconduct.
- c. **Independent Duty**. The Contractor has an immediate and independent obligation to, at the City's option: (a) defend the City from or (b) reimburse the City for its costs incurred in the defense of any claim that actually or potentially falls within this indemnity, even if: (1) the allegations are or may be groundless, false, or fraudulent; or (2) the Contractor is ultimately absolved from liability.
- d. **Expenses**. Notwithstanding any provision to the contrary, the Contractor shall bear the expenses including, but not limited to, the City's reasonable attorney fees and expenses, incurred by the City in enforcing this indemnity.
18. **INDEPENDENT CONTRACTOR STATUS**. The Contractor is an independent contractor and shall not be deemed an employee, servant, agent, partner, or joint venture of the City and will not hold itself or any of its employees, subcontractors or agents to be an employee, partner, or agent of the City.
19. **INVOICING**. The Contractor must submit invoices monthly (unless agreed otherwise between the parties to this Agreement) to the City electronically, via its supplier portal, for goods or services provided under this Agreement no later than 10 calendar days following the end of the period covered by the invoice. Untimely invoices may result in delayed payment for which the City is not liable. At a minimum, each invoice must include the following information: invoice number, contract or purchase order number issued by the City, and the name of the city department to be invoiced. The City may require changes to the form or the content of the invoice. The City may also require additional supporting documentation to be submitted with invoices.
20. **LIMITATIONS OF THE CITY'S OBLIGATIONS**. The City has no obligations not explicitly set forth in this Agreement or any incorporated documents or expressly imposed by law.
21. **NO THIRD-PARTY BENEFICIARIES**. The Contract is entered into for the exclusive benefit of the City and the Contractor, and the City and the Contractor expressly disclaim any intent to benefit anyone not a party to this Contract.
22. **NON-EXCLUSIVITY**. This Contract is non-exclusive and the Contractor may provide services to other clients, subject to the City's approval of any potential conflicts with the performance of this Contract and the City may engage the services of others for the provision of some or all of the work to be performed under this Contract.
23. **NON-SOLICITATION**. The Contractor has not employed or retained any company or person, other than a bona fide employee working solely for him, to solicit or secure the subject Contract. The Contractor has not paid or agreed to pay any person, other than a bona fide employee working for him, any fee, commission, percentage, gift, or any other consideration contingent upon or resulting from the subject Contract.
24. **NON-WAIVER**. The failure of the City to insist upon strict compliance with any provision of the Contract, to enforce any right or to seek any remedy upon discovery of any default or

breach of the Contractor at such time as the initial discovery of the existence of such noncompliance, right, default or breach shall not affect or constitute a waiver of the City's right to insist upon such compliance, exercise such right or seek such remedy with respect to that default or breach or any prior contemporaneous or subsequent default or breach.

25. OWNERSHIP INTEREST DISCLOSURE. The Contractor will provide a sworn affidavit listing all natural or artificial persons with an ownership interest in the Contractor and stating that no other person holds an ownership interest in the Contractor via a counter letter. For the purposes of this provision, an "ownership interest" shall not be deemed to include ownership of stock in a publicly traded corporation or ownership of an interest in a mutual fund or trust that holds an interest in a publicly traded corporation. If the Contractor fails to submit the required affidavits, the City may, after thirty (30) days' written notice to the Contractor, take such action as may be necessary to cause the suspension of any further payments until such the required affidavits are submitted.

26. PAYMENT. Unless otherwise agreed by the City, payment terms are NET 30 days upon providing that goods and/or services described under this Agreement have been delivered, installed (if required), or rendered, and approved by the City after receipt by the City of properly submitted invoice via the City's supplier portal.

27. PERFORMANCE MEASURES.

a. **Factors.** The City will measure the performance of the Contractor according to the following non-exhaustive factors: work performed in compliance with the terms of the Agreement; staff availability; staff training; staff professionalism; staff experience; customer service; staff turnover; communication and accessibility; prompt and effective correction of situations and conditions; timeliness and completeness of submission of requested documentation (such as records, receipts, invoices, insurance certificates, and computer-generated reports).

b. **Failure to Perform.** If the Contractor fails to perform according to the Agreement, the City will notify the Contractor. If there is a continued lack of performance after notification, the City may declare the Contractor in default and may pursue any appropriate remedies available under the Agreement and/or any applicable law. In the event of a notification of default, the City will invoice the defaulting contractor for any increase in costs and other damages sustained by the City. Further, the City will seek full recovery from the defaulting contractor.

28. PROHIBITION AGAINST FINANCIAL INTEREST IN AGREEMENT. No elected official or employee of the City shall have a financial interest, direct or indirect, in the Contract, including through any financial interest held by the spouse, child, or parent. Any willful violation of this provision, with the expressed or implied knowledge of the Contractor, will render this Contract voidable by the City and shall entitle the City to recover, in addition to any other rights and remedies available to the City, all monies paid by the City to the Contractor pursuant to this Contract without regard to the Contractor's satisfactory performance.

29. PROHIBITION ON POLITICAL ACTIVITY. None of the funds, materials, property, or services provided directly or indirectly under the terms of this Contract shall be used in the performance of this Contract for any partisan political activity, or to further the election or defeat of any candidate for public office.

30. **REMEDIES CUMULATIVE.** No remedy set forth in the Contract or otherwise conferred upon or reserved to any party shall be considered exclusive of any other remedy available to a party. Rather, each remedy shall be deemed distinct, separate and cumulative and each may be exercised from time to time as often as the occasion may arise or as may be deemed expedient.
31. **SEVERABILITY.** If a court of competent jurisdiction finds any provision of the Contract to be unenforceable as written, the unenforceable provision should be reformed, if possible, so that it is enforceable to the maximum extent permitted by law, or, if reformation is not possible, the unenforceable provision will be fully severable and the remaining provisions of the Contract will remain in full force and effect and will be construed and enforced as if the unenforceable provision was never a part the Contract.
32. **SUBCONTRACTOR REPORTING.** The Contractor will provide a list of all natural or artificial persons who are retained by the Contractor at the time of the Contract's execution and who are expected to perform work as subcontractors in connection with the Contractor's work for the City. For any subcontractor proposed to be retained by the Contractor to perform work on the Contract with the City, the Contractor must provide notice to the City within thirty (30) days of retaining that subcontractor. If the Contractor fails to submit the required lists and notices, the City may, after thirty (30) days' written notice to the Contractor, take any action it deems necessary, including, without limitation, causing the suspension of any payments, until the required lists and notices are submitted.
33. **SURVIVAL.** All representations and warranties and all obligations concerning record retention, inspections, audits, ownership, indemnification, payment, remedies, jurisdiction, venue, choice of law, and warranties shall survive the expiration, suspension, or termination of the Contract and continue in full force and effect.
34. **SUSPENSION.** The City may suspend this Contract at any time and for any reason by giving two (2) business day's written notice to the Contractor. The Contractor will resume work upon five (5) business day's written notice from the City.
35. **TERMINATION FOR CAUSE.** The City may terminate this Agreement immediately for cause by sending written notice to the Contractor. "Cause" includes without limitation any failure to perform any obligation or abide by any condition of this Agreement or the failure of any representation or warranty in this Agreement, including without limitation any failure to comply with the requirements of the City's Disadvantaged Business Enterprise program and any failure to comply with any provision of City Code § 2-1120 or requests of the Office of Inspector General. If a termination for cause is subsequently challenged in a court of law and the challenging party prevails, the termination will be deemed to be a termination for convenience effective thirty (30) days from the date of the original written notice of termination for cause was sent to the challenging party; no further notice will be required.
36. **TERMINATION FOR CONVENIENCE.** The City may terminate this Contract at any time during the term of the Contract by giving the Contractor written notice of the City's intention to terminate at least thirty (30) days before the date of termination.
37. **TERMINATION FOR NON-APPROPRIATION.** This Contract will terminate immediately in the event of non-appropriation of funds sufficient to maintain this Contract

without the requirement of notice and the City will not be liable for any amounts beyond the funds appropriated and encumbered for this Contract.

38. **TERMS BINDING.** The terms and conditions of the Contract are binding on any heirs, successors, transferees, and assigns.
39. **WAIVER OF SICK AND ANNUAL LEAVE BENEFITS.** It is expressly agreed and understood between the parties entering into this Contract that the Contractor, acting as an independent agent, shall not receive any sick and annual leave benefits from the City of New Orleans.

[END OF EXHIBIT A]

[EXHIBIT B CONTINUED ON NEXT PAGES]

EXHIBIT B - SPECIAL CONDITIONS FOR FEMA COMPLIANCE.

Since the parties anticipate that federal funding will be applied to this Agreement, the following federal contract clauses must be complied with, where applicable, in addition to the clauses already mentioned.

EQUAL EMPLOYMENT OPPORTUNITY

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant

thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon

contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.
