The City and the Contractor are sometimes collectively referred to as the “**Parties.**” The Amendment is effective as of May 1, 2021 (the “**Effective Date**”).

RECITALS

WHEREAS, on May 19, 2019, the City and the Contractor entered into a PROFESSIONAL SERVICE AGREEMENT for repair and services to OEM heavy trucks and miscellaneous construction equipment (the “**Agreement**”);

WHEREAS, on February 21, 2021 the Parties amended this Agreement for one additional year for continuity of services; and

WHEREAS, the City and the Contractor, each having the authority to do so, desire to enter this Amendment to renew the Agreement;

NOW THEREFORE, for good and valuable consideration, the City and the Contractor amend the Agreement as follows:

1. **Extension.** The Agreement is extended for an additional one (1) year from the Effective Date through May 2, 2022.
2. **Price.** The City and Contractor reaffirm the price proposal submitted by the Contractor in response to the City’s Invitation to Bid N. 2297-02460.
3. **Additional Miscellaneous Provisions.** The following terms and conditions are added to the Agreement:

DECLARED DISASTER

A. **Declaration.** During the declaration of an emergency by federal, state, and/or local government, the Contractor shall provide support to the City on an as-needed and task-order-driven basis. Because of the uncertainty of the scale and/or type of emergency, the services to be provided by the Contractor will vary and may need to be adjusted as needs are identified. The Contractor may be requested to provide a range of services. Said services may need to be rendered on a continual basis (24 hours / 7 days per week) during the declaration of an emergency.

B. **Task Order. Notification and Personnel.** Prior or during the declaration of an emergency, the City will notify the Contractor via task order if the City requires the Contractor’s support. Upon activation by task order, the

Contractor will provide the City with contact information of personnel assigned to the task order; and coordinate with the City to identify any personnel available to meet the City's needs.

C. **Purchase Order.** Once services are identified, the City will issue a purchase order to the Contractor. The City will issue a subsequent purchase order in case of additional needs for services, or may issue a modified purchase order if changes are made to the initial purchase order.

D. The Contractor will ensure that the City is provided with timely and accurate reports and other documentation, as requested.

PERFORMANCE MEASURES

A. **Factors.** The City will measure the performance of the Contractor according to the following non-exhaustive factors: work performed in compliance with the terms of the Agreement; staff availability; staff training; staff professionalism; staff experience; customer service; communication and accessibility; prompt and effective correction of situations and conditions; timeliness and completeness of submission of requested documentation (such as records, receipts, invoices, insurance certificates, and computer-generated reports).

B. **Failure to Perform.** If the Contractor fails to perform according to the Agreement, the City will notify the Contractor. If there is a continued lack of performance after notification, the City may declare the Contractor in default and may pursue any appropriate remedies available under the Agreement and/or any applicable law. In the event of a notification of default, the City will invoice the defaulting contractor for any increase in costs and other damages sustained by the City. Further, the City will seek full recovery from the defaulting contractor.

The indexing adjustment shall occur each year on July 1st using the Consumer Price Index figures provided for the calendar year ended December 31st of the preceding year, and thereafter on an annual basis.

The Contractor further acknowledges and agrees that it shall be liable for any additional costs incurred by the City occasioned by the cancellation of this Agreement or the loss of any license or permit to do business in the State of Louisiana resulting from a violation of La. R.S. 38:2212.10. The Contractor agrees to provide to the City a sworn affidavit attesting to the above provisions if requested by the City to do so; failure to provide such affidavit upon request shall give the City the option to cancel this Agreement.

6. **Cost Recovery.** In accordance with Section 2-8.1 of the Municipal Code entitled “Cost recovery in contracts, cooperative endeavor agreements, and grants,” to the maximum extent permitted by law, the Contractor shall reimburse the City or disgorge anything of value or economic benefit received from the City if the Contractor fails to meet its contractual obligations
7. **Prior Terms Binding.** Except as otherwise provided by this Amendment, the terms and conditions of the Agreement remain in full force and effect.
8. **Counterparts.** This Amendment may be executed in one or more counterparts, each of which shall be deemed to be an original copy of this Amendment, but all of which, when taken together, shall constitute one and the same agreement.
9. **Electronic Signature and Delivery.** The Parties agree that a manually signed copy of this Amendment and any other document(s) attached to this Amendment delivered by facsimile, email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Amendment.
