 - (2) "Director" means Director, Office of Federal Contract Compliance Programs, United States Department of Labor, or any person to whom the Director delegates authority;
-

- (3) "Employer identification number" means the Federal Social Security number used on the Employer's Quarterly Federal Tax Return, U.S. Form 941.

in the covered area. Covered construction Sub-recipients performing contracts in geographical areas where they do not have a federal or federally-assisted construction contract shall apply the minority and female goals established for the geographic area where the contract is being performed. Goals are published periodically in the Federal Register in notice form and such notices may be obtained from any Office of Federal Contract Compliance Programs office or from Federal procurement contracting officers. The Sub-recipient is expected to make substantially uniform progress in meeting its goals in each craft during the period specified.

- E. Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Sub-recipient has a collective bargaining agreement, to refer either minorities or women shall excuse the Sub-recipient's obligations under these specifications, Executive Order 11246, or the regulations promulgated pursuant thereto.
- F. In order for the non-working training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Sub-recipient during the training period, and the Sub-recipient must have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.
- G. The Sub-recipient shall take specific affirmative action to ensure equal employment opportunity. The evaluation of the Sub-recipient's compliance with these specifications shall be based upon its effort to achieve maximum results from its actions. The Sub-recipient shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:
 - (1) Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Sub-recipient's employees are assigned to work. The Sub-recipient, where possible, will assign two or more women to each construction project. The Sub-recipient shall specifically ensure that all foremen, superintendents and other on-site supervisory personnel are aware of and carry out the Sub-recipient's obligation to maintain such a working environment, with specific attention to minority or female individuals working at such sites or in such facilities.
 - (2) Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Sub-recipient or its unions have employment opportunities available, and maintain a record of the organization's responses.

- (7) Review, at least annually, the company's EEO policy and affirmative action obligations under these specifications with all employees having any responsibility for hiring, assignment, layoff, termination, or other employment decisions including specific review of these items with on-site supervisory personnel such as Superintendents, General Foreman, etc., prior to the initiation of construction work at any job site. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.
 - (8) Disseminate the Sub-recipient's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing
-

- H. Sub-recipients are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (G(1) through G(16)). The efforts of a Sub-recipient association, joint Sub-recipient-union, Sub-recipient-community, or other similar group of which the Sub-recipient is a member and participant, may be asserted as fulfilling any one or more of its obligations under G(1) through G(16) of these specifications provided that the Sub-recipient actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Sub-recipient's minority and female workforce participation, makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Sub-recipient. The obligation shall not be a defense for the Sub-recipient's non-compliance.
- I. A single goal for minorities and a separate single goal for women has been established. The Sub-recipient, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Sub-recipient may be in violation of the Executive Order if a particular group is employed in a substantially disparate manner (for example, even though the Sub-recipient has achieved its goals for women generally, the Sub-recipient may be in violation of the Executive Order if a specific minority group of women is underutilized).
- J. The Sub-recipient shall not use the goals and timetables or affirmative action standards to discriminate against any persons because of race, color, religion, sex, or national origin.
- K. The Sub-recipient shall not enter into any subcontract with any person or firm debarred from government contracts pursuant to E.O. 11246.
- L. The Sub-recipient shall carry out such sanctions and penalties for violation of these specifications and of the Equal Opportunity Clause including suspension, termination, and cancellation of existing subcontracts as may be imposed or ordered pursuant to E.O. 11246, as amended.
- M. The Sub-recipient, in fulfilling its obligations under these specifications, shall implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph G of these specifications, so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Sub-recipient fails to comply with the requirements of the Executive Order, the implementing regulations, or these specifications, the Director shall proceed in accordance with 41 CFR 60 4.8.
- N. The Sub-recipient shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required by the government and to keep records.  - C. A stipulation that as a condition for the award of the contract, prompt notice will be given of any notification received from the Director, Office of Federal Activities, EPA, indicating that a facility utilized, or to be utilized for the contract, is under consideration to be listed on the EPA List of Violating Facilities.
 - D.
