BRIEF DESCRIPTION OF SERVICES TO BE PROVIDED

GOHSEP will provide Subrecipients that lack adequate resources, staff, and expertise to manage the FEMA Hazard Mitigation Grant Program (HMGP) process effectively, while still maintaining regular daily responsibilities, the ability to utilize Program Management (PM) Services that GOHSEP has procured, selected, and negotiated fees. The selected PM Consultant is available to assist the Subrecipient by providing PM assistance and services so that they may pursue funding through the FEMA HMGP related to funding allocations received from the State resulting from Hurricanes Laura and Delta, and potentially future events. The engagement for PM Services has been expanded to include declared disasters for Hurricane Zeta (4577), Winter Weather (4590), May Flooding (4606), and Hurricane Ida (4611).

Term of Agreement

This Agreement shall begin on April 1, 2022 and shall end on September 19, 2022. GOHSEP has the right to extend this Agreement up to a total of three years with the concurrence of the Subrecipient and all appropriate approvals. The continuation of this Agreement is contingent upon the appropriation of funds by the legislature to fulfill the requirements of the Agreement. Moreover, the parties hereby agree that the termination or expiration of this Agreement does not supersede or negate the rights and responsibilities of any of the parties as set forth by Federal law including the Stafford Act and State law.

Taxes

Before the Agreement may be approved, La. R.S. 39:1624(A)(10) requires the Office of State Procurement to determine that the Subrecipient is current in the filing of all applicable tax returns and reports and in the payment of all taxes, interest, penalties, and fees owed to the State and collected by the Department of Revenue. The Subrecipient shall provide its seven-digit LDR Account Number to the State for this determination. The State's obligations are conditioned on the Subrecipient resolving any identified outstanding tax compliance discrepancies with the Louisiana Department of Revenue within seven (7) days of such notification. If the Subrecipient fails to resolve the identified outstanding tax compliance discrepancies within seven days of notification, then the using agency may proceed with alternate arrangements without notice to the Subrecipient and without penalty.

Termination for Cause

Should the State determine that the Subrecipient has failed to comply with the Agreement's terms, the State may terminate the Agreement for cause by giving the Subrecipient written notice specifying the Subrecipient's failure. If the State determines that the failure is not correctable, then the Agreement shall terminate on the date specified in such notice. If the State determines that the failure may be corrected, the State shall give a deadline for the Subrecipient to make the correction. If the State determines that the failure is not corrected by the deadline, then the State may give additional time for the Subrecipient to make the corrections or the State may notify the Subrecipient of the Agreement termination date.

If the Subrecipient seeks to terminate the Agreement, the Subrecipient shall file a complaint with the Chief Procurement Officer under La. R.S. 39:1672.2-1672.4.

Termination for Convenience

State may terminate the Agreement at any time without penalty by giving thirty (30) days written notice to the Subrecipient of such termination or negotiating with the Subrecipient a termination date. Subrecipient shall be entitled to payment for deliverables in progress, to the extent the State determines that the work is acceptable.

Remedies for Default

Any claim or controversy arising out of this Agreement shall be resolved by the provisions of La. R.S. 39:1672.2 -1672.4.

Other Remedies

If the Subrecipient fails to perform in accordance with the terms and conditions of this Agreement, or if any lien or claim for damages, penalties, costs and the like is asserted by or against the State, then, upon notice to the Subrecipient, the State may pursue all remedies available to it at law or equity, including retaining monies from amounts due the Subrecipient and proceeding against any surety of the Subrecipient.

Governing Law

This Agreement shall be governed by and interpreted in accordance with the laws of the State of Louisiana, including but not limited to La. R.S. 39:1551-1736; rules and regulations; executive orders; standard terms and conditions, special terms and conditions, and specifications listed in the RFP (if applicable); and this Agreement. Venue of any action brought, after exhaustion of administrative remedies, with regard to this Agreement shall be in the Nineteenth Judicial District Court, Parish of East Baton Rouge, State of Louisiana.

E-Verify

Subrecipient acknowledges and agrees to comply with the provisions of La. R.S. 38:2212.10 and federal law pertaining to E-Verify in the performance of services under this Agreement.

Ownership of Work Product

All software, data files, documentation, records, worksheets, or any other related materials developed under this Agreement shall become the property of the State upon creation. All material related to the

Agreement and/or obtained or prepared by Subrecipient in connection with the performance of the services contracted for herein shall become the property of State, and shall be returned by Subrecipient to State, at Subrecipient's expense, at termination or expiration of the Agreement.

Data/Record Retention

Subrecipient shall retain all its books, records, and other documents relevant to this Agreement and the funds expended hereunder for at least five (5) years after final payment, or as required by applicable Federal law, if Federal funds are used to fund this Agreement. Subrecipient shall comply with all applicable State and Federal laws regarding data retention and provide for a transition period that accommodates all data retention requirements of the State, including data retained and length of retention, following Agreement termination, regardless of the reason for Agreement termination. Additionally, all State data must be sanitized in compliance with the most currently approved revision of NIST SP 800-66.

Record Ownership

All records, reports, documents and other material delivered or transmitted to Subrecipient by State shall remain the property of State, and shall be returned by Subrecipient to State, at Subrecipient's expense, at termination or expiration of this Agreement. All records, reports, documents, or other material related to this Agreement and/or obtained or prepared by Subrecipient in connection with the performance of the services contracted for herein shall become the property of State, and shall be returned by Subrecipient to State, at Subrecipient's expense, at termination or expiration of this Agreement.

Subrecipient's Cooperation

The Subrecipient has the duty to fully cooperate with the State and provide any and all requested information, documentation, etc. to the State when requested. This applies even if this Agreement is terminated and/or a lawsuit is filed. Specifically, the Subrecipient shall not limit or impede the State's right to audit or shall not withhold State owned documents.

Assignability

Subrecipient may assign its interest in the proceeds of this Agreement to a bank, trust company, or other financial institution. Within ten (10) calendar days of the assignment, the Subrecipient shall provide notice of the assignment to the State and the Office of State Procurement. The State will continue to pay the Subrecipient and will not be obligated to direct payments to the assignee until the State has processed the assignment.

Except as stated in the preceding paragraph, Subrecipient shall only transfer an interest in the Agreement by assignment, novation, or otherwise, with prior written consent of the State. The State's written consent of the transfer shall not diminish the State's rights or the Subrecipient's responsibilities and obligations.

Right to Audit / Records Retention

The State Legislative Auditor, internal auditors of the Division of Administration, agency auditors, and if applicable, federal auditors shall be entitled to audit the books and records of a Subrecipient or any subcontractor under any negotiated Agreement or subcontract to the extent that such books and records relate to the performance of such Agreement or subcontract. Such books and records shall be maintained by the Subrecipient for a period of five (5) years from the date of final payment under the prime Agreement and by the subcontractor for a period of five (5) years from the date of final payment under the subcontract.

Access to Records. The following access to records requirements apply to this Agreement:

- 1) The Subrecipient agrees to provide GOHSEP, the FEMA Administrator or his authorized representatives, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Subrecipient which are

directly pertinent to this Agreement for the purposes of making audits, examinations, excerpts, and transcriptions.

2) The Subrecipient agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

The Subrecipient agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the Agreement.

Fiscal Funding

The continuation of this Agreement is contingent upon the appropriation of funds to fulfill the requirements of the Agreement by the legislature. If the legislature fails to appropriate sufficient monies to provide for the continuation of the Agreement, or if such appropriation is reduced by the veto of the Governor or by any means provided in the appropriations act to prevent the total appropriation for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of the Agreement, the Agreement shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.

Non-Discrimination

Subrecipient agrees to abide by the requirements of the following, as applicable and amended: Title VI of the Civil Rights Act of 1964 and Title VII of the Civil Rights Act of 1964, as amended by the Equal Employment Opportunity Act of 1972, Federal Executive Order 11246, as amended, the Rehabilitation Act of 1973, as amended, the Vietnam Era Veteran's Readjustment Assistance Act of 1974, Title IX of the Education Amendments of 1972, the Age Discrimination Act of 1975, the Fair Housing Act of 1968, as amended, and Americans with Disabilities Act of 1990.

Subrecipient agrees not to discriminate in its employment practices, and shall render services under this Agreement without regard to race, color, religion, sex, sexual orientation, national origin, veteran status, political affiliation, disability, or age in any matter relating to employment. Any act of discrimination committed by Subrecipient, or failure to comply with these statutory obligations when applicable shall be grounds for termination of this Agreement.

Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Subrecipient agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

The Subrecipient will, in all solicitations or advertisements for employees placed by or on behalf of the Subrecipient, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin. The Subrecipient will send to each labor union or representative of workers with which he has a collective bargaining Agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Subrecipient's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The Subrecipient will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering Agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders. In the event of the Subrecipient's noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations, or orders, this Agreement may be canceled, terminated, or suspended in whole or in part and the Subrecipient may be declared ineligible for further Government agreements or federally assisted construction contracts in accordance with procedures authorized in

Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law. The Subrecipient will include this discrimination clause section in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that it will be binding upon each subcontractor or vendor. The Subrecipient will take such action with respect to any subcontract or purchase order as the administering Agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: provided, however, that in the event a Subrecipient becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering Agency, the Subrecipient may request the United States to enter into such litigation to protect the interests of the United States.

Continuing Obligation

Subrecipient has a continuing obligation to disclose any suspensions or debarment by any government entity, including but not limited to General Services Administration (GSA). Failure to disclose may constitute grounds for suspension and/or termination of the Agreement and debarment from future Agreements.

Eligibility Status

Subrecipient, and each tier of subcontractors, shall certify that it is not on the List of Parties Excluded from Federal Procurement or Nonprocurement Programs promulgated in accordance with E.O.s 12549 and 12689, "Debarment and Suspension," as set forth at 24 CFR part 24.

Confidentiality

Subrecipient shall protect from unauthorized use and disclosure all information relating to the State's operations and data (e.g. financial, statistical, personal, technical, etc.) that becomes available to the Subrecipient in carrying out this Agreement. Subrecipient shall use protecting measures that are the same or more effective than those used by the State. Subrecipient is not required to protect information or data that is publicly available outside the scope of this Agreement; already rightfully in the Subrecipient's possession; independently developed by the Subrecipient outside the scope of this Agreement; or rightfully obtained from third parties.

SCOPE OF SERVICES

1.0 Public Purpose of Agreement

The purpose of this Agreement is to offer Subrecipients, who often lack adequate resources, staff, and expertise to manage the FEMA HMGP process effectively while still maintaining regular daily responsibilities, the opportunity to utilize Program Management (PM) Services. GOHSEP has procured, selected, and negotiated fees with a PM Consultant, who is available to assist those interested Subrecipients by providing PM assistance and services so that they may pursue funding through the FEMA HMGP related to funding allocations received from the State resulting from Hurricanes Laura and Delta, and potentially future events. The engagement for PM Services has been expanded to include declared disasters for Hurricane Zeta (4577), Winter Weather (4590), May Flooding (4606), and Hurricane Ida (4611).

Subrecipient and the Governor's Office of Homeland Security and Emergency Preparedness (GOHSEP), for the consideration hereinafter named, agreed as follows:

2.0 Goal and Objectives

- 2.1. The goal of this Agreement is to provide Subrecipients with program/grant management services, provided by the FEMA HMGP, pursuant to and consistent with the Stafford Act Section 324 Management Costs, as amended by Disaster Recovery Reauthorization Act (DRRA). Said services are intended to assist Subrecipients with managing the hazard mitigation grant process as needed.
- 2.2. Objective
 - 2.2.1. To provide Program Management (PM) Services to Subrecipients who desire to utilize the PM Services offered by GOHSEP in pursuing funding through the FEMA HMGP in connection with funding allocation received from Hurricane Ida, DR-4611.

3.0 Scope of Work

- 3.1. Responsibilities of GOHSEP:
 - 3.1.1. Upon execution of this Agreement, GOHSEP shall assign the PM Consultant who will provide PM Services as set forth in Attachment A of this Agreement for eligible Subrecipients who demonstrate a need for assistance in navigating the HMGP process.
 - 3.1.2. GOHSEP shall coordinate with the Subrecipient to ensure that the processing and issuing of reimbursement under this Agreement is conducted in accordance with its normal procedures as well as state and federal law.
 - 3.1.3. GOHSEP shall make available, at the Subrecipient's request, an accounting of all costs invoiced by the PM Consultant.
 - 3.1.4. GOHSEP may, but shall not be required to, provide PM Services once the cost for those services reach the amount awarded by FEMA for Subrecipient management costs.
 - 3.1.5. GOHSEP will direct PM Consultant to assist Subrecipient with PM Services. In the event Subrecipient requires additional assistance managing its hazard mitigation projects, i.e. procurement, design management, construction management, ("Additional Services") Subrecipient may solicit proposals from interested parties to provide those services and if requested GOHSEP shall provide guidance in procurement of those services. Nothing contained herein shall preclude PM Consultant from competing for Additional Services.
- 3.2. Responsibilities of Subrecipient:
